Cardinal Bancshares, Lexington, Kentucky (Applicant), has given notice pursuant to section 4(c)(8) of the Bank Holding Company Act (12 U.S.C. 1843(c)(8)) (BHC Act) and section 225.23 of the Board's Regulation Y (12 CFR 225.23), to engage through its thrift subsidiary, Security First Network Bank, FSB, Pineville, Kentucky (SFNB), in certain nonbanking activities related to the provision of electronic banking services over the non-proprietary computer network known as the "Internet." SFNB has received approval from the Office of Thrift Supervision to provide certain electronic banking services to its customers over the Internet, including deposit and bill-paying services.

Applicant proposes to acquire WebTech, Inc., Atlanta, Georgia (WebTech), and thereby market, design, develop, and provide ongoing technical support of data processing software for the electronic transmission of financial, banking, and economic data for financial institutions seeking to provide banking services to their customers over the Internet, pursuant to section 225.25(b)(7) of Regulation Y (12 CFR 225.25(b)(7)). WebTech also will provide financial institutions ongoing technical support related to its software, customization and installation services, and data center operations. Moreover, WebTech expects to develop additional

data processing services that will allow customers to provide secure access to accounts across other channels, such as through modems across public telephone lines.
